MESSAGE

I am extremely happy to know that Shree Dhanvantary Pharmacy College is releasing its first edition of *E bulletin* on 7th March 2014 on the occasion of GUJCOST sponsored National conference on *Present and Future Challenges in Pharmacy Education*.

“Science is changing its pace rapidly and so do we”, with this philosophy, the Institute has successfully achieved many significant milestones in a short span of six years and still striving for continuous improvement through high output research activities and quality education system. And *E bulletin* just reflects this zeal of institute to achieve the excellence. I wish advisory board, editorial team and management of Shree Dhanvantary Pharmacy College a grand success.
