

## **Criterion 2 - Teaching-learning and Evaluation**

**Metric 2.3.2 Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc.**

2.3.2.1. Number of teachers using ICT

**Obtained Grade from NAAC: 1**

**Expected Grade from NAAC:4**

**HEI Input:13**

**DVV Suggested Input:**

Please provide List of teachers using ICT enabled learning facility. Also, the links don't work. It just leads to the login page.

**HEI Clarification Input:**

List of teachers using ICT enabled learning facility is attached herewith as per suggestion. The web link is working for the same. We are again providing the web link (kindly allow the pop ups).<http://www.sdpc.co.in/Ininfa=12>.

**DVV Recommended Input: NIL**

**Appeal:**

1. During the Submission of DVV the HEI has shown only 13 faculties using ICT (Which accounts for 27.65 % only) under the impression that it has to be submitted only for PG Pharmacy programme. This miscalculation has credited the HEI the grade 1 in this sub section. The HEI has now correctly revised the ICT users which include the entire Programme and now the overall percentage is improved and revised as 100%.
2. In the View of discussion above the data is submitted in support and the HEI believes that the score can now be improved to 4.

**Revised HEI Input:47(100%)**

## Criterion 2 - Teaching-learning and Evaluation

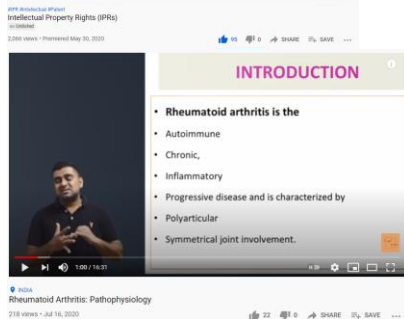

### 2.3.2. Teachers Use ICT – Enabled Tools For Effective Teaching & Learning Process Including Online E – Resources.

Teachers at shree Dhanvantary Pharmacy College are using ICT enabled tools for effective teaching and learning which includes use of power point presentations, audio visual materials, online course material & Lectures. All UG and PG Faculties are Using ICT enabled Teaching Methodology and encourage students for the same. Audio visual and power point presentations enable students to understand the methodology in an effective manner. Animated video add more advantage to subject understanding as well as it is long lasting in memory. Uploading an important question bank and related study material on website enables students to get material promptly whenever and wherever they require it.
