

## **Criterion 2 - Teaching-learning and Evaluation**

### **Metric 2.4.3 Teaching experience per full time teacher in number of years**

2.4.3.1. Total experience of full-time teachers

**Obtained Grade from NAAC: 1**

**Expected Grade from NAAC: 3**

**HEI Input:** 265.8 years

#### **DVV Suggested Input:**

Please provide Consolidated Experience certificate duly certified by the Head of the institution. Please also provide experience certificates of the following: 1. Dr. Manish Goyani 2. Dr. Vineet Jain

#### **HEI Clarification Input:**

Consolidated Experience certificate duly certified by the Head of the institution as well as experience certificates of the following: 1. Dr. Manish Goyani 2. Dr. Vineet Jain has been attached. The average teaching experience of teaching faculty is 5.65.

**DVV Recommended Input: NIL**

#### **Appeal:**

1. As per the DVV Clarification the experiences of two faculties are included and the HEI Scored grade 1. The HEI has established in Year 2005 completing its 15 years during the filling of DVV. This is reflected in overall experience of the faculties joined since the inception which is around 5.65 years and will never be more than 15 years for many as per the cadre ratio required by AICTE.
2. The PG Pharmacy and Pharm. D are introduced 10 and 5 years back respectively, hence the overall score of Staff experience of 265.8 Years is quite justified.
3. In The view of the above points the HEI believes that the score should be graded at least between 3 and 4.
