Appeal:

Our College started in 2005 and in 2009 first batch has come out. M. Pharm started in 2013 and Pharm. D started in 2016. It is hardly 15-year-old college and that to locate in remote village. Within this period, it achieved 03 international award and 2 national awards in five academic years. Kindly consider this mile stone and increase the grade to 3.
