Respected sir,

I am pleased to introduce our Institution, Shree Dhanvantary Pharmacy College (SDPC), established in 2005 by Shree Sahkar Education Trust, Surat. During this brief tenure of twelve years, it has made rapid strides of progress to become one of the premier institutes of Pharmacy in Gujarat. This institute is approved by AICTE, PCI & affiliated to GTU and currently offering B.Pharm, M.Pharm, Pharm.D. & Ph. D. courses. SDPC is 1st Full NBA accredited UG Program institute and DSIR-SIRO approved lab in Gujarat & youngest to achieved this milestone.

SDPC and its research wing, Ribosome Research Centre Pvt. Ltd. are endeavoring to be an Educational Research Centre of par excellence in the field of Pharmacy and allied sciences. Our vision is to grow into a globally prominent one in pharmacy and collaborative research by establishing state of art facilities of global prospective.

With reference to the subject cited above herewith I am inviting you to attend annual meeting for internal Quality Assurance on 07/07/2018 at 1:00 pm. Your valuable guidance will help us uplifting the standard of our institute to greater height.

I hope you will accept our invitation and guide us.

INTERNAL QUALITY ASSURANCE CELL

Introduction:

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

Functions of IQAC:

1. Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
2. Facilitating the creation of a learner – centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
3. Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes.
4. Dissemination of information on various quality parameters of higher education.
5. Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
6. Documentation of the various programmes/activities leading to quality improvement.
7. Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
8. Development and maintenance of institutional database through MIS for the purpose of maintaining / enhancing the institutional quality.
9. Development of Quality Culture in the institution.
10. Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

Members of the Internal Quality Assurance Cell (IQAC).

INTERNAL QUALITY ASSURANCE CELL

Introduction:

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

Functions of IQAC:

1. Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
2. Facilitating the creation of a learner – centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
3. Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes.
4. Dissemination of information on various quality parameters of higher education.
5. Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
6. Documentation of the various programmes/activities leading to quality improvement.
7. Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
8. Development and maintenance of institutional database through MIS for the purpose of maintaining / enhancing the institutional quality.
9. Development of Quality Culture in the institution.
10. Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

Members of the Internal Quality Assurance Cell (IQAC).
