MEMORANDUM OF UNDERSTANDING

BETWEEN

Shree Dhanvantary Pharmacy College

Kim, Surat-39 4110, Gujarat, India

AND

Department of Chemistry, University of Ulsan, South Korea

Department of Chemistry, University of Ulsan, located in Ulsan, SOUTH KOREA and Shree Dhanvantary Pharmacy College, Kim, Surat, Gujrat, India seek to implement opportunities for joint scholarship to facilitative academic co-operation; to develop research collaboration and to promote mutual understanding as well as applying joint research funds between the two countries. To these ends, the institutions agree to foster and promote academic co-operation in education and research between the two institutions. This *memorandum of understanding* (MOU) provides a general framework for the development of such collaboration including joint research projects between the two countries and holding of international seminars. A subsequent *implementation agreement* will specify institutional activities, which will be agreed upon and developed by **Shree Dhanvantary Pharmacy College, Kim-Surat, India and Department of Chemistry, University of Ulsan**, at a future date. This will include deputation of students for Ph.D training or post-doctoral research.

- I. Based upon principles of respect and benefit, co-operation, collaboration and understanding, **Shree Dhanvantary Pharmacy College, Kim-Surat, India**, affiliated to Gujrat Technological University and **Department of Chemistry, University of Ulsan**, South Korea agree to explore the following collaborative activities.
 - A. Exchange of Students
 - B. Exchange of faculty and research scholars
 - C. Exchange of scientific materials, publications and information
 - D. Development of joint scientific and /or technological research and meetings for education and research and
- II. Specific activities to be carried out under this MOU will be stated in subsequent years and corresponding *Implementation Agreements*, which once approved by both institutions, will be attached as addenda to this MOU.
- III. This *Memorandum of Understanding* will be considered effective on the date it is signed by official representatives from both institutions. Either institution may terminate the MOU at

any time, but both institute agree that if the agreement is terminated, due consideration will be given to avoid harm to students in collaborative program underway.

- IV. This MOU is an expression of good will and a statement of good intentions between **Department of Chemistry, University of Ulsan located in Ulsan, SOUTH KOREA** and **Shree Dhanvantary Pharmacy College, Kim-Surat, India** and it is designated to facilitate and develop a genuine and mutually beneficial exchange/ research relationship between the two institutions.
- V. Revisions to the MOU and *Implementation Agreement* may be made upon mutual consent of both institutions.
- VI. The administration of this MOU shall be joint responsibility of the research director of **Shree Dhanvantary Pharmacy College, Kim-Surat, India** and the **Department of Chemistry, University of Ulsan located in Ulsan, SOUTH KOREA**. All notices shall be in writing and directed to these individuals as follows:

Signing Authorities Signature Date

1) Indian: **Tejraj Aminabhavi, Ph.D.**

Director of Research,
Shree Dhanvantary Pharmacy College
Kim-Surat, India

 Dec. 18, 2013

2) Korean: **Youngil Lee, Professor,**

Department of Chemistry (Department Chair)
University of Ulsan
Ulsan 680-749
Korea (South)
